

YEAH HUB and PORTAL User Manual

DEFINITIONS

HUB: <http://yehub.net/MPR.html>. The D5470 Database, also known as the 24-Hour Office. The HUB stores information about our Volunteers, Host Families, Inbound Students and Outbound Students (Current, Future and Past). The HUB can only be accessed on a computer.

Web Portal: <http://yehub.net/MPR-portal>. A more portable and smaller version of the HUB. Data is available (but not documents), except those in the HUB Library. Phone numbers, addresses, insurance numbers and the ability to file reports are available. The portal can be accessed on a cell phone, tablet or computer.

Vet: To fulfill requirements of the Department of State, including Application, Background Check, Department of State Certification and Reports from References (2 for Host Family, 3 for a Volunteer). Someone who is not fully vetted, except in special circumstances, will only have access to the Web Portal, not the HUB. Vetting is done annually.

Volunteer Application (VA): <http://yehub.net/MPR-volapp>. The application that a YEO, Country Officer, Club Counselor or any other Volunteer working with Mountain and Plains Rotary Youth Exchange. This is only completed once.

Host Family Application (HF): <http://yehub.net/MPR-hfapp>. The application that a Host Family fills out to be considered to host an inbound student. A Host Family application is valid for one year. Host families need to renew their application each year they want to host again.

Department of State (DOS): The US Department of State regulates our program and issues Visas to inbound students coming into our program. We must be compliant with the DOS and we are audited annually for re-certification. Any time that we are not compliant we run the risk of not being re-certified. We need everyone's cooperation to fulfill this obligation.
